NOTES:

1. In view of the continuing COVID-19 pandemic, Ministry of Corporate Affairs has vide its Circular No. 14/2020 dated 8th April, 2020, Circular No.17/2020 dated 13th April, 2020, Circular No.20/2020 dated 5th May, 2020, Circular No.02/2021 dated 13th January, 2021, Circular No.19/2021 dated 8th December, 2021, Circular No.21/2021 dated 14th December, 2021 and Circular No. 02/2022 dated 5th May, 2022 ('MCA Circulars') and other relevant Circulars issued by the Securities and Exchange Board of India ('SEBI') have permitted conducting the Annual General Meeting ('AGM') through video conferencing ('VC') or Other Audio Visual Means ('OAVM'). In compliance with the provisions of the Companies Act, 2013 ('the Act'), SEBI (Listing Obligations and Disclosure.
2. The deemed venue for 36th Annual General Meeting shall be the registered office of the Company.
3. Since this AGM is being held through VC / OAVM, pursuant to the MCA Circulars, physical attendance of the Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM. Hence the Proxy Form, Attendance Slip and Route Map are not annexed to this Notice. In pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM through VC/OAVM and cast their votes through e-voting.
4. Institutional/Corporate Shareholders (i.e. other than individuals/HUF, NRI, etc.) are required to send a scanned copy of its Board or Governing Body Resolution/Authorization etc., authorizing its representative to attend the AGM on its behalf and to vote through remote e-voting and e-voting during the AGM. The said Resolution/Authorization shall be sent to the Company's e-mail address at info@galadafinance.in.
5. The relevant details as required under Regulation 36 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and the Secretarial Standard on General Meetings (SS – 2), of persons seeking appointment/re-appointment as Director under Item No. 2 of the Notice, are annexed hereto and forms part of the explanatory statement. The Company has received requisite consent/declaration from the director seeking their appointment/ reappointment.
6. The facility of joining the AGM through VC/OAVM will be opened 15 minutes before and will be open up to 15 minutes after the scheduled start time of the AGM, i.e. from 03:45 P.M. to 04:15 P.M. and will be available for at least 1,000 members on a first-come first-served basis. This rule would however not apply to participation of shareholders holding 2% or more shareholding, promoters, institutional investors, directors, key managerial personnel, auditors etc.
7. Institutional Investors, who are members of the Company are encouraged to attend and vote at the AGM of the Company.
8. In case of joint holders, the member whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote at the AGM.
9. The Company has been maintaining, inter alia, the Register of contracts or arrangements in which directors are interested under section 189 of the Act and the Register of Directors and Key Managerial Personnel and their shareholding under section 170 of the Act at its registered office. In accordance with the MCA circulars, the said registers shall be made accessible for inspection through electronic mode, which shall remain open and be accessible to any member during the continuance of the meeting.
10. Relevant documents referred to in the accompanying Notice and the Explanatory Statement shall be made accessible for inspection through electronic mode on all working days, except Saturdays, during business hours up to the date of the Annual General Meeting.
11. For ease of conduct, members who would like to ask questions/express their views on the items of the businesses to be transacted at the meeting can send their questions/comments in advance to the Company's designated email address at info@galadafinance.in. mentioning their name, demat account

no./Folio no., etc. The queries may be raised precisely and in brief to enable the Company to answer the same suitably depending on the availability of time at the meeting.

12. The Share Transfer Books of the Company shall remain closed from Sunday, 18th September, 2022 to Saturday, 24th September 2022, both days inclusive.
13. Members holding shares in electronic form are requested to intimate immediately any change in their address or bank mandates to their Depository Participants with whom they are maintaining their demat accounts. Members holding shares in physical form are requested to advise any change in their address or bank mandates immediately to the Company / RTA.
14. The Company or its Registrar and Share Transfer Agent, M/s. Cameo Corporate Services Limited ("Cameo") cannot act on any request received directly from the members holding shares in electronic form for any change of bank particulars or bank mandates. Such changes are to be advised only to the Depository Participant.
15. Members holding shares in single name and physical form are advised to make nomination in respect of their shareholding in the Company. In this regard, members can write to us at info@galadafinance.in.
16. Members who hold shares in physical form in multiple folios in identical names or joint holding in the same order of names are requested to send the share certificates to Cameo, for consolidation into a single folio.
17. Members holding shares in physical form are requested to consider converting their holding to dematerialized form to eliminate all risks associated with physical shares and for ease of portfolio management. Members can contact the Company or Cameo for assistance in this regard. Securities and Exchange Board of India ("SEBI") has mandated that securities of listed companies can be transferred only in dematerialised form w.e.f. April 1, 2019. Accordingly, the Company/Cameo has stopped accepting any fresh lodgment of transfer of shares in physical form. Members holding shares in physical form are advised to avail of the facility of dematerialisation.
18. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in the securities market. Members holding shares in electronic form are, therefore, requested to submit their PAN to their Depository Participants with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN to the Company / Cameo.
SEBI vide circular dated April 20, 2018 has mandated the Company to collect copy of PAN and Bank account details from Members holding shares in physical form. Accordingly, individual letters are sent to those shareholders whose PAN and Bank account details are not available with the Company. Such shareholders are requested to provide the information at the earliest to the Company/RTA.
19. In terms of section 101 and 136 of the Act, read together with the Rules made thereunder, the listed companies may send the notice of annual general meeting and the annual report, including Financial Statements, Boards' Report etc. by electronic mode. Pursuant to the said provisions of the Act read with MCA Circulars, Notice of the AGM along with the Annual Report is being sent only through electronic mode to those members whose e-mail addresses are registered with the Company/Depositories. Members may note that the Notice and Annual Report will also be available on the Company's website at www.galadafinance.in and on the website of the Stock Exchange i.e. BSE Ltd. at www.bseindia.com.
20. Further, those members who have not registered their e-mail addresses and mobile nos. and in consequence could not be served the Annual Report and Notice of the AGM, may get themselves registered with our RTA by clicking the link: <https://investors.cameoindia.com> for obtaining the same.
21. To support the 'Green Initiative', Members who have not registered their e-mail address so far are requested to register their e-mail address for receiving all communications including Annual Report, Notices, Circulars, etc., from the Company electronically.

MANAGEMENT'S DISCUSSION AND ANALYSIS REPORT

The Management has taken up detailed discussion of the risk factors related to our Company in specific and industry in general and attempts to lay down the impact of the same on the company's performance. Please find reproduced hereunder a summary of Management's Disc

INTERNAL RISK FACTORS

1. The growth rate of NBFCs largely builds upon the ability to develop brand name for its financial products which compete the Industry.

We believe that promoting and positioning our brand is necessary for achieving recognition of our services. Brand promotion activities may not yield increased revenues and even if they do, increased revenues may not offset the expenses we incur in brand building. If we fail to promote our brand, our business, financial condition and result of operation could be affected

2. Our business is vulnerable to interest rate risk. Changes in interest rate may affect our income from operation and adversely affect our financial performance and profitability.

In our NBFC business, we are exposed to the risk of higher interest rates. If the yield on our Company's interest -earning assets does not increase at the same time or to the same extent as our cost of funds, or our cost of funds does not decline at the same time or to the same extent as the yield on its interest earning assets, our net interest income and net interest margin would be adversely impacted. This could have a material adverse effect on the financial performance.

3. Our Company may experience delays in enforcing the collateral when borrowers default on their obligations, which will result in failure to recover the expected value of collateral and affect our financial performance

Our Company may not be able to realize the full value of the collateral as a result of delays in bankruptcy and foreclosure proceedings, inability to foreclose, defects in the title of collateral, fraudulent transfers by borrowers and other factors which includes legislative changes and judicial pronouncements. The inability to recover the expected value of collateral could expose our Company to losses, which will have impact on business and financial performance

4. If our company fails attract and retain key employees, our operation could be affected.

The Company believes that human resource is most important element for success of any organization. The company takes every step to promote feeling of belongingness among its employees and maintains a separate Human Resource department to care of concerns and well being of employees. The staff turnover in the company is considerably less as compared to the industry. In any case, skilled and/or trained manpower is available in the market. It has a strong Culture & Corporate Core Values

5. The changes in the regulations that govern our Company could cause the business to suffer

NBFCs in India are regulated by the RBI. Any changes in the regulatory framework will affect the profitability of our business and our future financial performance

6. We may require additional funds to satisfy our capital needs, which we may not able to procure.

We may need to raise additional capital from time to time, which we may not able to procure. The Company may not be able to raise adequate funds on attractive terms and conditions, which could have an adverse effect on our results of operations

7. Our business is dependent on the financial performance of the market and financial policy of the Government; it also depends upon the RBI point of view of the interest rates for public and business class at large.

8. Our business is subject to regulation by several authorities, which could have an adverse effect on our business and our results of operations. We are outsourcing entire Financial and Corporate Advisory. We are being in the field of professional services unable to market our products in an aggressive fashion.

EXTERNAL RISK FACTORS

1. A slowdown in economic growth in India could cause business to suffer

The performance and growth of the company and the industry are dependent on the health of the Indian economy as well the secondary industries. The economy could be adversely affected by various factors such as political or regulatory action, including adverse changes in liberalization policies, social disturbances, terrorist attacks and other acts of violence or war, natural calamities, interest rates ,commodity and energy prices and various other factors. Any slowdown in the Indian economy may adversely impact business and financial performance and the price of Equity Shares

- 2. Political instability or changes in the government could delay the further liberalization of the Indian economy and adversely affect economic conditions in India generally, which could impact financial results and prospects.**

Since 1991, successive Indian governments have pursued policies of economic liberalization, including significantly relaxing restrictions on the private sector. Nevertheless, the role of the Indian central and state governments in the Indian economy as producers, consumers and regulators has remained significant. The leadership of India has changed many times since 1996. The current central government is headed by the Indian National Congress and is a coalition of several political parties. Although the current government has announced policies and taken initiatives that support the economic liberalization policies that have been pursued by previous governments, the rate of economic liberalization could change, and specific laws and policies affecting industry, foreign investment and other matters affecting investment in securities could change as well.

- 3. Any downgrading of India's debt rating by an independent agency may harm ability to raise debt financing.**

Any adverse revisions to India's credit ratings for domestic and international debt by international rating agencies may adversely affect ability to raise additional financing and the interest rates and other commercial terms at which such additional financing is available. This could have a material adverse effect on capital expenditure plans, business and financial performance.

- 4. Terrorist attacks, civil unrest and other acts of violence or war involving India and other countries could adversely affect the financial markets and our business.**

Terrorist attacks and other acts of violence or war may negatively affect the Indian financial markets and also adversely affect the worldwide financial markets. In addition, any deterioration in relations between India and its neighboring countries might result in investor concern about stability in the region, which could adversely affect the business. India has witnessed civil disturbances in the past and it is possible that future civil unrest as well as other adverse social, economic and political events in India could have a negative impact. Such incidents could also create perception in the minds of investors that, investment in Indian Companies involve a higher degree of risk.

5. Natural calamities could have a negative impact on the Indian economy and cause our business to suffer.

India has experienced natural calamities such as earthquake, tsunami, floods and drought in the past. The extent and severity of these natural disasters determines their impact on the Indian economy, which have an adverse impact on our business

6. Factors affecting Indian economy in general

Like any other entity, our financial results are also affected by the macro economic factors determining the growth of the Indian economy in general and continued growth of the securities market. The Growth of our business and ability to maintain the growth is influenced by the growth rate of the securities market indicators. Any slowdown in Indian economy or slowdown in securities market or any changes in government regulation could have an impact on our financial performance.

Risk Relating to our Industry:

- **Risk of Bad Debts (Non-Performing Assets)**

The risk of NPA is always a pertinent part of the lending business. There is always a chance that accounts become bad due to fall or collapse in the value of the asset against which funds have been advanced due to a variety of reasons. However, in our case, the Company has put in place a strong asset verification and valuation processes.

- **Interest Rates**

The RBI had resorted to increasing the interest rates many times over the last eighteen months in order to control Inflation. The volatility in interest rate and high interest rate leads to default in re-payment and thus increase of interest rates would certainly affect the business of the Company.

- **Risk of Competition**

With globalization and continuous flow of private as well as international institution in the finance market the risk of competition in any business, and the finance business is no different. We believe that competition spurs our team to innovate without losing sight of the customer needs, the need for safety of funds deployed and the need to ensure commensurate returns.

- **Global Economic Uncertainties**

The international events affect all financial markets of the world, and India is also affected. The affect was clearly felt in the previous year as the Indian Rupee continued to remain weak due to the crisis in Eurozone. This may results into to stay-away attitude by foreign investors, volatility in crude price, inflation which may turned into further stress on finance market. Company there for focusing on investing its funds in assets that are fully secured and that will have least impact of global uncertainty.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF GALADA FINANCE LIMITED

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of **M/s Galada Finance Limited** ("the Company"), which comprises the Balance Sheet as at 31st March, 2022, the Statement of Profit and Loss (including Other Comprehensive income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements"). In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2022, the profit/loss and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We do not have any key audit matters that needs to be communicated in our report.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the Company's Annual Report, but does not include the standalone financial statements and our auditor's report thereon. Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:

a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books and proper returns adequate for the purposes of our audit have been received from the branches not visited by us.

c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account and with the returns received from the branches not visited by us.

d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

e) On the basis of the written representations received from the directors as on 31st March, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.

f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in **“Annexure A”**.

g) With respect to the other matters to be included in the Auditor’s Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

h) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 1 (f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the members of M/s Galada Finance Limited of even date.)

Report on the Internal Financial Controls over Financial Reporting under clause(i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **M/s Galada Finance Limited** (“the Company”) as of 31st March, 2022 in conjunction with our audit of the standalone Ind AS financial statements of the company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing specified under Section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to the financial statements	
Note	Particulars
1	<p><u>Corporate information</u></p> <p>Galada Finance Limited ('the Company'), incorporated in Chennai, India, is a Non-Systemically Important Deposit taking Non-Banking Financial Company ('NBFC') as defined under section 45-IA of the Reserve Bank of India ('RBI') Act, 1934. The company has been debarred from taking deposits from public and it has repaid all deposits from public. The Company is mainly engaged in the business of lending across retail, SME and commercial customers with a significant presence in urban and rural India.</p> <p>The Registered office of the company is situated at Shanti Sadan, Old No. 4, New No.7, Shaffee Mohammed Road, Thousand Lights, Chennai 600006.</p> <p>These financial statements were approved for issues in the meeting of the Board of Directors held on 28-05-2022</p>
2	<p><u>Basis of preparation of financial statements</u></p>
2.1	<p><u>Basis of preparation and compliance with Ind AS</u></p> <p>The Company has adopted Indian Accounting Standards ('Ind AS') notified under Section 133 of the Companies Act 2013('the Act') read with the Companies (Indian Accounting Standards) Rules, 2015 from April 01, 2019 and the effective date of such transition is April 01, 2018. Such transition has been carried out from the erstwhile Accounting Standards notified under the Act, read with relevant rules issued thereunder and guidelines issued by the Reserve Bank of India ('RBI') (Collectively referred to as 'the Previous GAAP'). Accordingly, the impact of transition has been recorded in the opening reserves as at April 01, 2018. The corresponding figures presented in these results have been prepared on the basis of the previously published unaudited/audited results under previous GAAP for the relevant periods, duly restated to Ind AS.</p>
2.2	<p><u>Basis of measurement</u></p> <p>The financial statements have been prepared on a going concern basis, using historical cost convention and on an accrual method of accounting, except for financial assets, financial liabilities and defined benefit plans which have been measured at fair value, as required by relevant Ind AS.</p>
2.3	<p><u>Current and non-current classification</u></p> <p>The Company presents assets and liabilities in the Balance Sheet based on current / non-current classification.</p> <p>An asset is classified as current if it satisfies any of the following criteria:</p> <ul style="list-style-type: none"> a) It is expected to be realised or intended to be sold in the Company's normal operating cycle. b) It is held primarily for the purpose of trading, c) It is expected to be realised within twelve months after the reporting period, or d) It is a cash or cash equivalent unless restricted from being exchanged or used to settle a liability for atleast twelve months after the reporting period. <p>All other assets are classified as non-current.</p> <p>A liability is classified as current if it satisfies any of the following criteria:</p> <ul style="list-style-type: none"> a) it is expected to be settled in the Company's normal operating cycle, b) it is held primarily for the purpose of trading, c) it is due to be settled within twelve months after the reporting period, d) there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period. <p>The Company classifies all other liabilities as noncurrent.</p> <p>Deferred tax assets and liabilities are classified as noncurrent assets and liabilities.</p>

GALADA FINANCE LIMITED Notes to the financial statements	
2.4	Use of estimates and assumptions In preparing these financial statements, management has made judgements, estimates and assumptions that affect the application of the Company's accounting policies and the reported amounts of assets,
2.5	First time adoption of Ind AS : The company has adopted Indian Accounting Standards (Ind AS) as notified by the Ministry of Corporate Affairs with effect from 1st April, 2019, with a transition date of 1st April, 2018. These financial statements for the year ended 31st March, 2020 are the first financial statement the Company has prepared under Ind AS. For all periods upto and including the year ended 31st March, 2019, the Company prepared its financial statements in accordance with rule 7 of the Companies (Accounts) Rules, 2014 ("Previous GAAP"). The Company has prepared opening Balance Sheet as per Ind AS as of 01st April, 2018 (transition date) by recognising all assets and liabilities whose recognition is required by Ind AS, derecognising items of assets or liabilities which are not permitted to be recognised by Ind AS, reclassifying items from Previous GAAP to Ind AS as required and applying Ind AS to measure the recognised assets and liabilities. The optional exemption and mandatory exceptions availed by the Company under Ind AS 101 are as follows : (A) Deemed cost for property, plant and equipment and intangible assets - The Company has elected to measure property, plant and equipment, and intangible assets at its Previous GAAP carrying amount and use that Previous GAAP carrying amount as its deemed cost at the date of transition to Ind AS. (B) Mandatory Exceptions Use of Estimates On assessment of the estimates made under the Previous GAAP financial statements, the Company has concluded that there is no necessary to revise the estimates under Ind AS, as there is no objective evidence of an error in those estimates. However, estimates that are required under Ind AS but not required under Previous GAAP are made by the Company for the relevant reporting dates reflecting conditions existing as at that date.
2.6	Property, plant and equipment Property, plant and equipments are stated at historical cost less accumulated depreciation. Cost comprises of purchase price and other attributable costs , if any , in bringing the assets to its working condition for its intended use. Transition to Ind AS On transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment recognised as at 1 April 2018 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment. Depreciation (i) Depreciation on Property, plant and equipment is provided for on Written down value method in the manner prescribed in Part C of Schedule II of the Companies Act, 2013 and reckoning the maximum residual value @ 5% of the original cost of the asset. (ii) In respect of addition of assets during the year, depreciation has been provided on Pro-rata basis.

GALADA FINANCE LIMITED Notes to the financial statements	
2.7	<p>Revenue recognition</p> <p>a) Recognition of interest income on loans</p> <p>Interest income is recognised in Statement of profit and loss using the effective interest method for all financial instruments measured at amortised cost, . The 'effective interest rate' is the rate that exactly discounts estimated future cash payments or receipts through the expected life of the financial instrument. The calculation of the effective interest rate includes transaction costs and fees that are an integral part of the contract. Transaction costs include incremental costs that are directly attributable to the acquisition of financial asset. If expectations regarding the cash flows on the financial asset are revised for reasons other than credit risk, the adjustment is recorded as a positive or negative adjustment to the carrying amount of the asset in the balance sheet with an increase or reduction in interest income. The adjustment is subsequently amortised through Interest income in the Statement of profit and loss. The Company calculates interest income by applying the EIR to the gross carrying amount of financial assets other than credit impaired assets. When a financial asset becomes credit-impaired, the Company calculates interest income by applying the effective interest rate to the net amortised cost of the financial asset. If the financial asset cures and is no longer credit impaired, the Company reverts to calculating interest income on a gross basis. Additional interest and interest on trade advances, are recognised when they become measurable and when it is not unreasonable to expect their ultimate collection.</p> <p>b) Dividend and interest income on investments:</p> <ul style="list-style-type: none"> - Dividends are recognised in Statement of profit and loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the Company and the amount of the dividend can be measured reliably. - Interest income from investments is recognised when it is certain that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable.
2.8	<p>Employee benefits</p> <p>(i) Short-term employee benefits</p> <p>Short term employee benefits are recognized as an expense at the undiscounted amount in the statement of profit and loss of the year in which the related service is rendered.</p> <p>(ii) Post Employment benefits</p> <p>(a) Defined contribution plans</p> <p>A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts. Contributions paid/payable for Provident Fund of eligible employees is recognized in the statement of Profit and Loss each year.</p> <p>(b) Defined benefit plans</p> <p>A defined benefit plan is a post-employment benefit plan other than a defined contribution plan. The Company's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in the current and prior periods, discounting that amount and deducting the fair value of any plan assets.</p> <p>Post employment benefits are recognized as an expense in the statement of profit and loss for the year in which the employee has rendered services.</p>
2.9	<p>Financial instruments</p> <p>Financial instruments are recognised when the Company becomes a party to the contractual provisions of the instrument. Regular way purchases and sales of financial assets are recognised on trade-date, the date on which the Company commits to purchase or sell the asset.</p>

GALADA FINANCE LIMITED Notes to the financial statements	
	<p>(A) Financial Assets</p> <p>The Company determines the classification of its financial assets at initial recognition. The classification depends on the Company's business model for managing the financial assets and the contractual terms of the cash flows.</p> <p>The financial assets are classified in the following measurement categories:</p> <p>a) Those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and</p>
	<p>b) Those to be measured at amortised cost.</p> <p>For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income. At initial recognition, the Company measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss as incurred. Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Company classifies its debt instruments.</p> <p>(i) Amortised Cost</p> <p>The Company classifies its financial assets as at amortised cost only if both of the following criteria are met:</p> <p>a) The asset is held within a business model with the objective of collecting the contractual cash flows, and</p> <p>b) The contractual terms give rise on specified dates to cash flows that are solely payments of principal and interest on the principal outstanding.</p> <p>Financial assets at amortised cost include loans receivable, trade and other receivables, and other financial assets that are held with the objective of collecting contractual cash flows. After initial measurement at fair value, the financial assets are measured at amortised cost using the effective interest rate (EIR) method, less impairment.</p> <p>Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the statement of profit or loss. The losses arising from impairment are recognised in the Statement of Profit or Loss.</p> <p>(ii) Fair value through other comprehensive income</p> <p>Financial assets that are held for collection of contractual cash flows and for selling the financial assets, where the asset's cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income. Movements in the carrying amount are taken through other comprehensive income, except for the recognition of impairment gains or losses, and interest revenue which are recognised in profit or loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in other comprehensive income is reclassified from equity to profit or loss and recognised in other gains/(losses). Interest income from these financial assets is included in other income using the effective interest rate method.</p>

GALADA FINANCE LIMITED Notes to the financial statements	
	<p>(iii) Financial assets at fair value through profit or loss</p> <p>The Company classifies the following financial assets at fair value through profit or loss:</p> <ul style="list-style-type: none"> a) Debt investments that do not qualify for measurement at amortised cost; b) Debt investments that do not qualify for measurement at fair value through other comprehensive income; and c) Debt investments that have been designated at fair value through profit or loss. <p>Derecognition of financial assets</p> <p>The Company derecognises a financial asset when the contractual rights to the cash flows from the assets expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.</p>
	<p>(B) Financial Liabilities</p> <p>The Company determines the classification of its financial liabilities at initial recognition.</p> <p>Classification</p> <p>The Company classifies all financial liabilities as subsequently measured at amortised cost, except for financial liabilities at fair value through profit or loss.</p> <p>Initial recognition and measurement</p> <p>Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss. Loans and borrowings, payables are subsequently measured at amortised cost.</p> <p>Derecognition of financial liabilities</p> <p>A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires.</p> <p>(C) Equity investments</p> <p>All equity investments in scope of Ind AS 109 are measured at fair value. For equity instruments, the company may make an irrevocable election to present the subsequent changes in the fair value in other comprehensive income . The classification is made on initial recognition and is irrevocable.</p> <p>If the company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the Profit and Loss.</p>
2.10	<p>Cash and cash equivalents</p> <p>Cash and cash equivalent in the balance sheet comprise cash at banks, cash on hand, cheques on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value. For the purpose of the statement of cash flows, cash and cash equivalents consist of cash, cheques on hand and short-term deposits, as defined above.</p>
2.11	<p>Taxation</p> <p>A. Current Tax</p> <p>Current income tax is measured at the amount of tax expected to be payable on the taxable income for the year.</p>

GALADA FINANCE LIMITED Notes to the financial statements	
	<p>B. Deferred Tax</p> <p>Deferred tax is recognised on temporary differences between carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised.</p> <p>Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on the tax rates (and tax laws) that have been enacted or substantially enacted by the end of the reporting period.</p> <p>Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.</p>
2.12	<p>Segment accounting</p> <p>There is no separate reportable segment as per Ind AS 108 on 'Operating Segments' in respect of the Company.</p> <p>The Company operates in single segment only. There are no operations outside India and hence there is no external revenue or assets which require disclosure.</p> <p>The Company operates mainly in Indian market and there are no reportable geographical segments.</p>
2.13	<p>Provisions, Contingent Liabilities and Contingent Assets</p> <p>A. Provisions</p> <p>Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.</p> <p>B. Contingent liabilities</p> <p>Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount can not be made.</p> <p>C. Contingent assets</p> <p>Contingent assets are disclosed, where an inflow of economic benefit is probable.</p> <p>Provisions, contingent liabilities and contingent assets are reviewed at each balance sheet date.</p>
2.14	<p>Statement of Cash flows</p> <p>Cash flow are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals of accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and finance activities of the Company are segregated.</p>

GALADA FINANCE LIMITED	
Notes to the financial statements	
2.15	<p>Earnings per share</p> <p>Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.</p>
2.16	<p>Dividend to Equity Shareholders</p> <p>Dividend to equity shareholders is recognised as a liability and deducted from shareholder's equity in the period in which the dividends are approved by the equity shareholders in the general meeting.</p>

28 Fair Value Measurement

(a) Valuation Principles

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal (or most advantageous) market at the measurement date under current market conditions (i.e., an exit price), regardless of whether that price is directly observable or estimated using a valuation technique. In order to show how fair values have been derived, financial instruments are classified based on a hierarchy of valuation techniques, as explained below:

(b) Total financial assets measured at fair value on a recurring basis :

Investments	Category	Fair Value Hierarchy	As at 31st March, 2022	As at 31st March, 2021
(a) Unquoted Equity Shares	FVOIC	Level 2	5,860	5,860
(b) Quoted Equity Shares	FVOIC	Level 1	23,96,430	57,61,954
(c) Quoted Government Bonds	FVOIC	Level 1	1,50,000	4,50,000
			25,52,290	62,17,814

Quoted price in active markets (Level 1):

Shares and bonds held are measured based on their published market value.

Unobservable inputs (Level 2):

Unquoted equity shares are measured at fair value using suitable valuation models.

(c) The table below presents information pertaining to the fair values and carrying values of the Company's Financial Assets and Liabilities

(i) Short-term and other financial assets and liabilities

For financial assets and financial liabilities that have a short-term maturity (less than twelve months) and for other financial assets and other financial liabilities that are insignificant in value, the carrying amounts, net of impairment, if any, are a reasonable approximation of their fair value. Such instruments include cash and cash equivalents, bank balances other than cash and cash equivalents, trade receivables, trade payables, other financial assets and other financial liabilities.

(ii) Loans

These financial assets are recorded at amortised cost less impairment loss as per expected credit loss.

(iii) Debt securities, borrowings and subordinated liabilities

These financial liabilities are recorded at amortised cost.

Note	Particulars
29	<p>Capital Management</p> <p>The primary objective of the Company's capital management policy is to ensure compliance with regulatory capital requirements. In line with this objective, the Company ensures adequate capital at all times and manages its business in a way in which capital is protected, satisfactory business growth is ensured, cash flows are monitored, borrowing covenants are honoured and ratings are maintained.</p> <p>Regulatory capital-related information is presented as part of the RBI mandated disclosures. The RBI norms require capital to be maintained at prescribed levels. In accordance with such norms, Tier I capital of the Company comprises of share capital, share premium and reserves, Tier II capital comprises of provision on loans that are not credit-impaired. There were no changes in the capital management process during the periods presented.</p>
30	<p>Risk Management</p> <p>While risk is inherent in the Company's activities, it is managed through an integrated risk management framework, including ongoing identification, measurement and monitoring, subject to risk limits and other controls. The Board of Directors are responsible for the overall risk management approach and for approving the risk management strategies and principles.</p> <p>a) Credit risk</p> <p>The company manages and controls credit risk by setting limits on the amount of risk it is willing to accept for individual counterparties and for geographical and industry concentrations, and by monitoring exposures in relation to such limits.</p> <p>Financial assets measured on a collective basis</p> <p>The company splits its exposure into smaller homogeneous portfolios, based on shared credit risk characteristics, as described below in the following order:</p> <ul style="list-style-type: none"> - Secured/unsecured i.e. based on whether the loans are secured - Nature of security i.e. the nature of the security if the loans are determined to be secured - Nature of loan i.e. based on the nature of loan <p>Significant increase in credit risk</p> <p>The company considers an exposure to have significantly increased in credit risk when the borrower crosses 30 DPD but is within 90 DPD.</p> <p>Impairment assessment</p> <p>The company considers a financial instrument defaulted and therefore Stage 3 (credit-impaired) for ECL calculations in all cases when the borrower crosses 90 days past due on its contractual payments. Further, the borrower is retained in Stage 3 (credit-impaired) till all the overdue amounts are repaid i.e borrower falls within 90 days past due on its contractual payments..</p> <p>Exposure at default</p> <p>The exposure at default (EAD) represents the gross carrying amount of the financial instruments subject to the impairment calculation.</p> <p>Loss given default</p> <p>The credit risk assessment is based on a standardised LGD assessment framework that incorporates the probability of default and subsequent recoveries. Current economic data and forward-looking economic forecasts and scenarios are used in order to determine the Ind-AS 109 LGD rate. The company uses data obtained from third party sources and combines such data with inputs to the Company's ECL models including determining the weights attributable to the multiple scenarios.</p>

		7,23,95,296	7,56,49,649	
	Collateral and other credit enhancements			
	The amount and type of collateral required depends on an assessment of the credit risk of the counterparty. Guidelines are in place covering the acceptability and valuation of each type of collateral.			
	b) Liquidity risk and funding management			
	Liquidity risk arises because of the possibility that the Company might be unable to meet its payment obligations when they fall due as a result of mismatches in the timing of the cash flows under both normal and stress circumstances. To limit this risk, management has arranged for diversified funding sources, and adopted a policy of managing assets with liquidity in mind and monitoring future cash flows and liquidity on a daily basis.			
	Maturity profile of financial liabilities			
	The table below summarises the maturity profile of the cash flows of the Company's financial liabilities as at 31st March.

c) Market risk				
Market risk represents the risk that the fair value or future cash flows of financial instruments will fluctuate due to changes in market variables such as interest rates, foreign exchange rates and equity prices.				
d) Operational risk				
Operational risk is the risk of loss arising from inadequate or failed internal process or proper systems. The operational risks of the Company are managed through comprehensive internal control systems and procedures and key back up processes. This enables the management to evaluate key areas of operational risks and the process to adequately mitigate them on an ongoing basis. The Company also undertakes Risk based audits on a regular basis across all business units / functions. While examining the effectiveness of control framework through self-assessment would assure effective implementation of selfcertification and internal financial controls adherence, thereby, reducing enterprise exposure.
